# For Memories

*From the Editor:*

Everyday is full of memorable moments. This years' Acenes yearbook has captured these moments in our theme "A Time For Memories".

All throughout your life these memories will be able to touch and help you reminisce about your high school years. When paging through the book, you will see that we have captured all aspects of life at West Seneca West.

This edition, the largest yearbook ever, brings you student pictures, senior quotes, patrons and candids that will hopefully bring a spark of happiness to your day.

This year's section editors have incorporated their sections to fit the theme. Each section shows the personality and individuality of the staff members.

This years' yearbook is a treasure chest of memories and Acenes is the key to unlock the treasures within.

# ... For Work

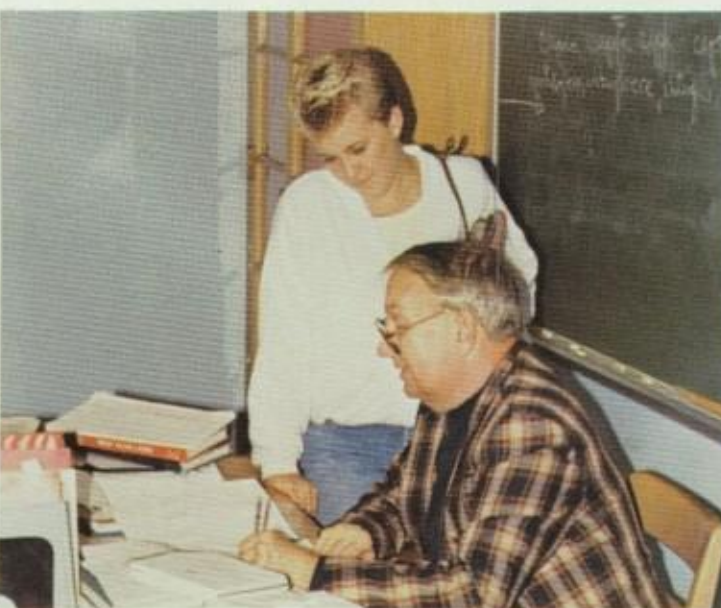

So much unhappiness today, is due to nerves; and bad nerves are the result of having nothing to do, or doing a thing badly, unsuccessfully or incompetently. Of all the unhappy people in the world, the unhappiest are those who have not found something they want to do. True happiness comes to him who does his work well, followed by a relaxing and refreshing period of rest. True happiness comes from the right amount of work for the day.

*STARTING TOP: Some business students hard at work with their "BICS"; April T. never thought chemistry was so much fun; Mary S. — the next Picasso. OPPOSITE PAGE CLOCKWISE STARTING TOP LEFT: Jody G. doesn't feel like working today; Cookaholics; Computers are mesmerizing; Mr. Murphy makes work interesting; Matt G. — A happy victim; Working can sometimes be messy.*

# . . . For Play

For when the One Great Scorer comes to write against your name, he writes — not that you won or lost — but how you played the game.

In this section, while the Varsity Football team plays for victory, the Marching Band plays for our half time entertainment.

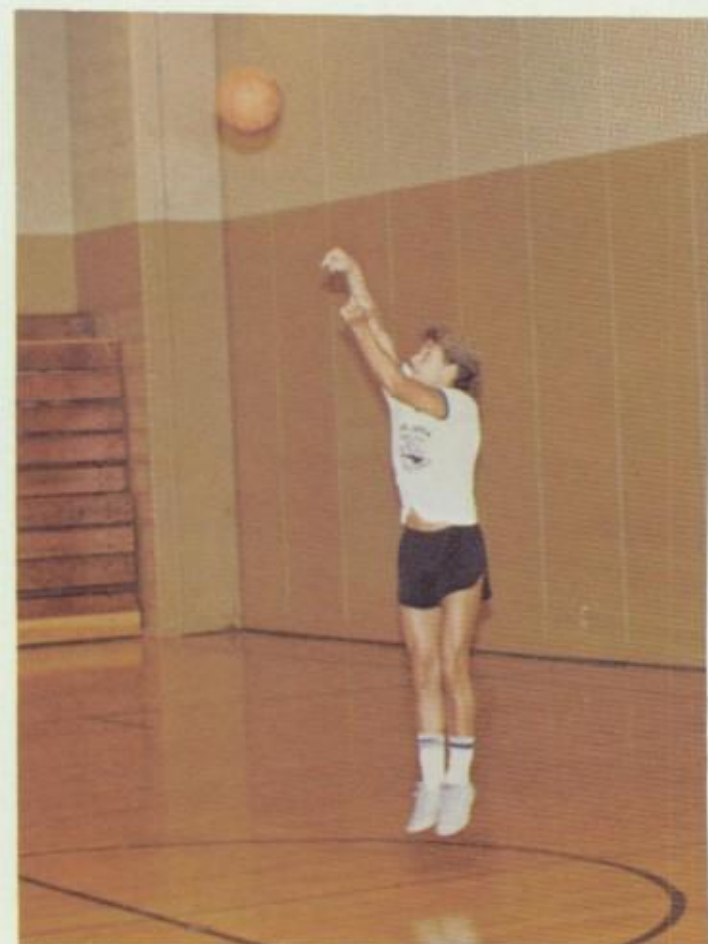

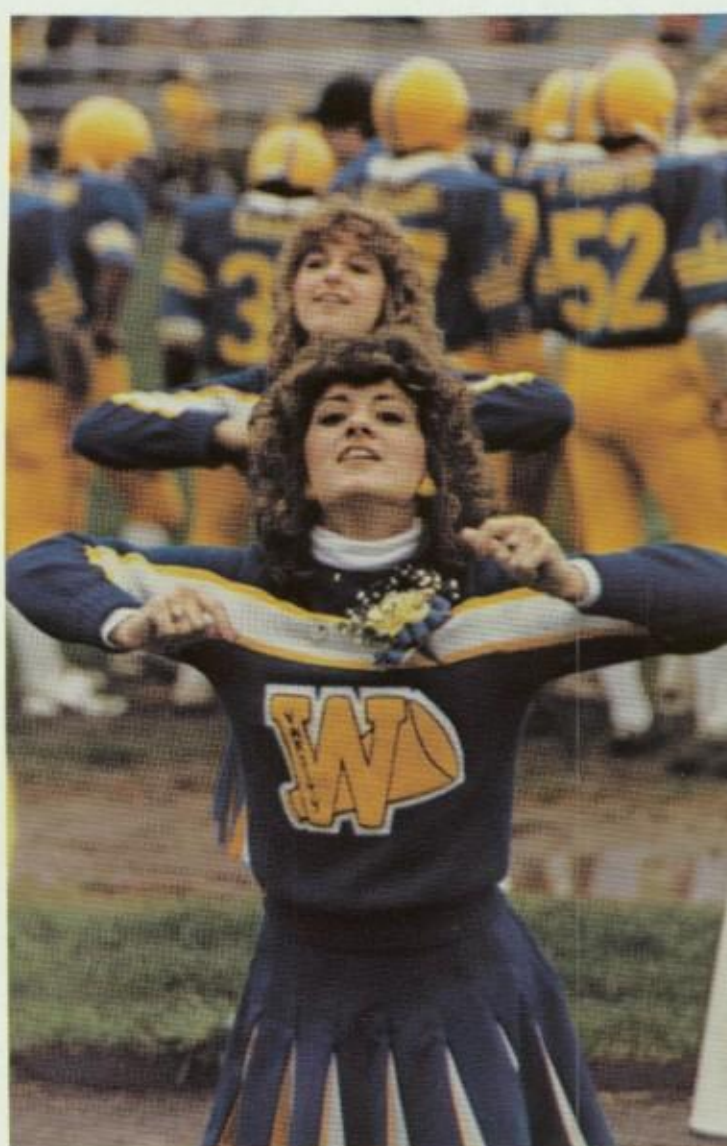

The Cheerleading Squad executed the crowd pleasing mound and then cheers us on throughout the football season with their enthusiasm.

After a long day, a student finds play as a means of winding down.

Other students enjoy playing team sports, such as field hockey.

# ... For Rest

Rest is not quitting the busy career;  
Rest is the fitting of self to one's  
sphere.

'Tis the brook's motion clear without  
strife, fleeting to ocean, after this life.

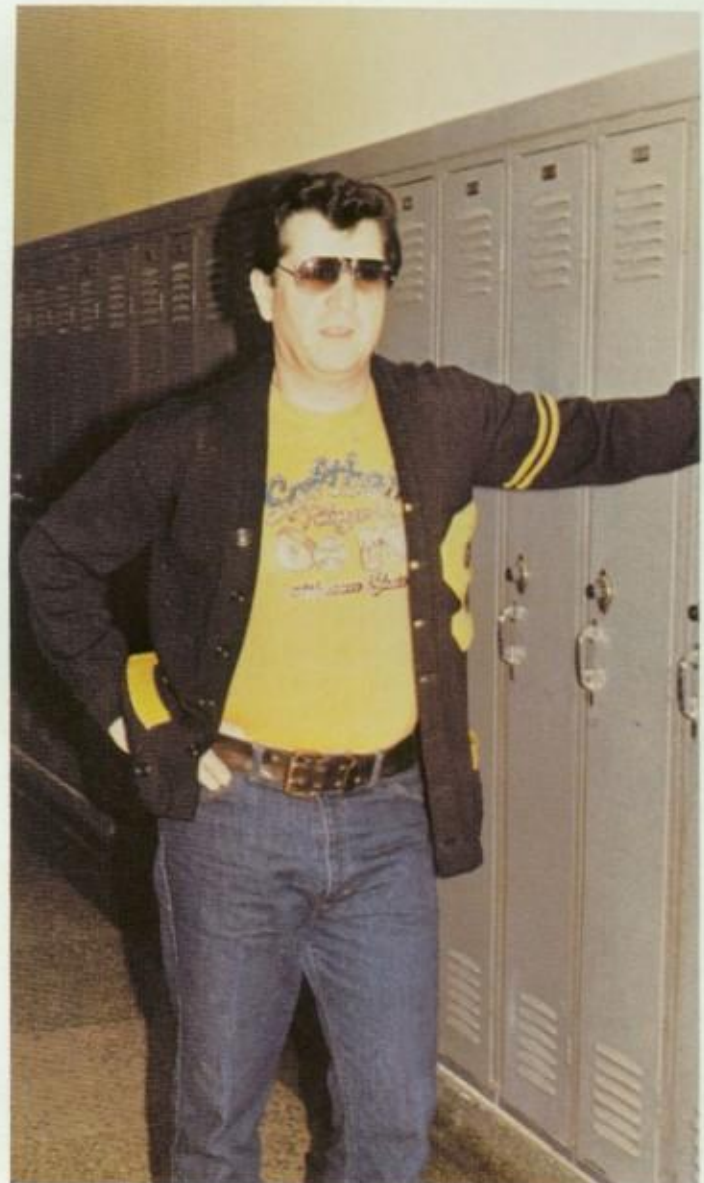

'Tis loving and serving, the highest and  
best.

'Tis onward, unswerving, and this is  
true rest.

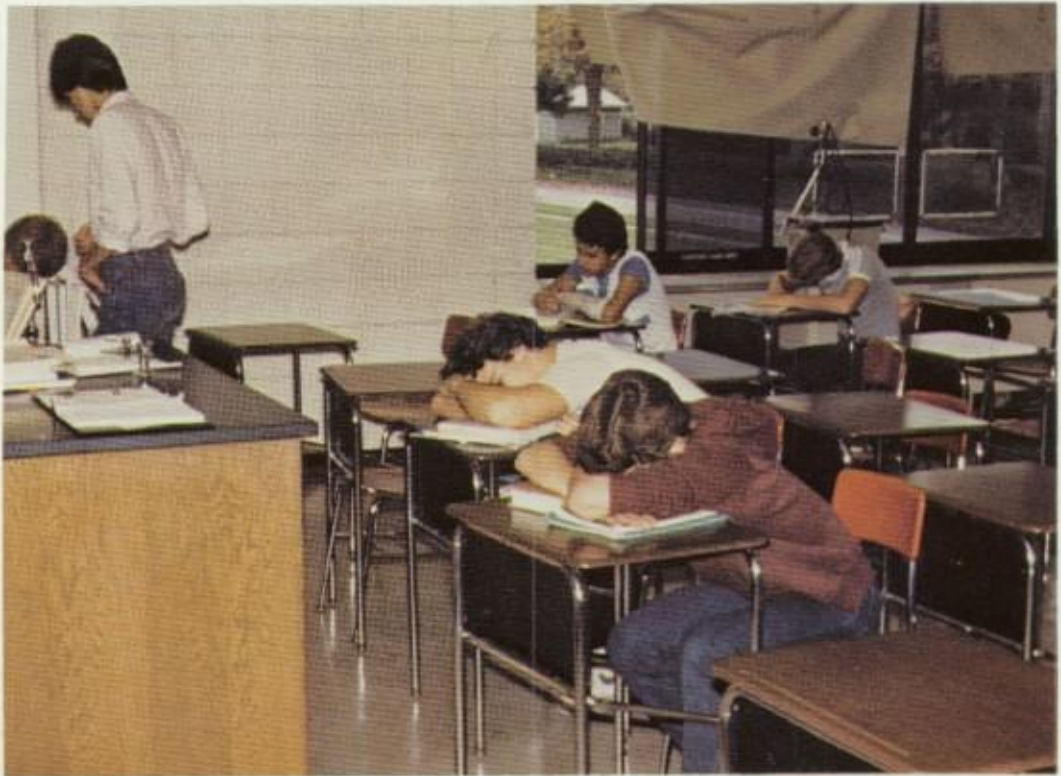

For rest comes with the satisfaction of  
hard work.

*CLOCKWISE FROM ABOVE:  
Some friends grab some fresh  
air outdoors during lunch; The  
Cross-Country Team rests to  
regain their energy; Mr. Ro-  
gowski takes time out from the  
80's; Relaxing with "Ma Bell";  
The senior wall supporters.*

*CLOCKWISE FROM ABOVE: Chris Barbara rests before a cross-country meet; Jim Blahowicz reads to rest while Greg Huff stares off into space; The sleeping study-hall; Scott Trusi holds his head up high while resting.*

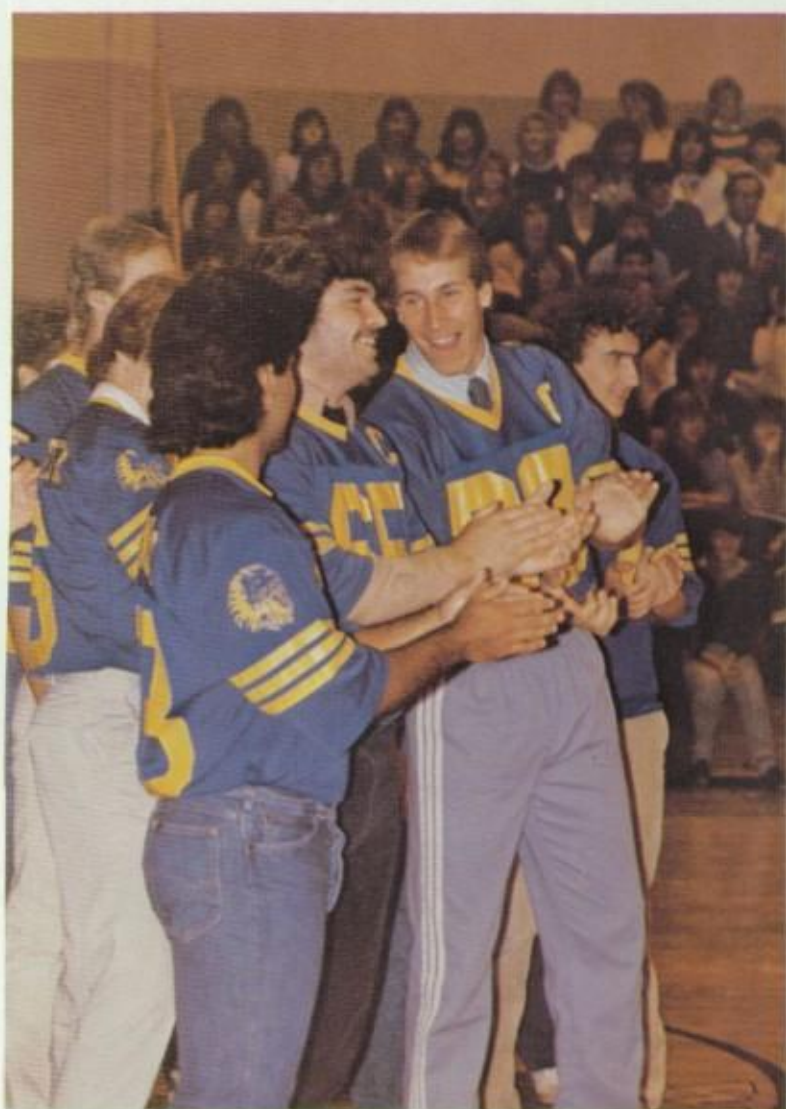

# . . . For Spirit

Homecoming Week was filled with memories, fun, and spirit. The junior class sponsored a "Spirit Week", which consisted of . . . a dress-up day, a Hawaiian day, a punk-rock day, a 50's day and a blue and a gold day.

On Friday, everyone participated in the Pep-Rally, and showed that West really has a lot of pizzazz.

At the rally, the Fall Sports' team captains along with the Senior-Varsity Football players were introduced. The cheerleaders performed many cheers for the students, while the Marching Band joined in the festivities by "Boogie-n-Down"!

*CLOCKWISE, STARTING LEFT: West shows its true colors; Megan S. Cheers us on; Coach Brotz gets carried away by the team spirit; J.V. and Varsity Cheerleaders' spirit is contagious at the Pep Rally; the Band gets into the swing of things. OPPOSITE PAGE STARTING TOP: Diane G. concentrates on her routine; The boys shout their spirit; Pat E. and Mike M., co-captains, clap for the team; Sharon B. is punked out with spirit; "Lisa and the Do-Wops" show their spirit.*

# . . . For Fun

Even though it rained, the spirit of the participants of the annual Homecoming motorcade, was not dampened. For some the fun was the decorating, but others enjoyed riding in the parade.

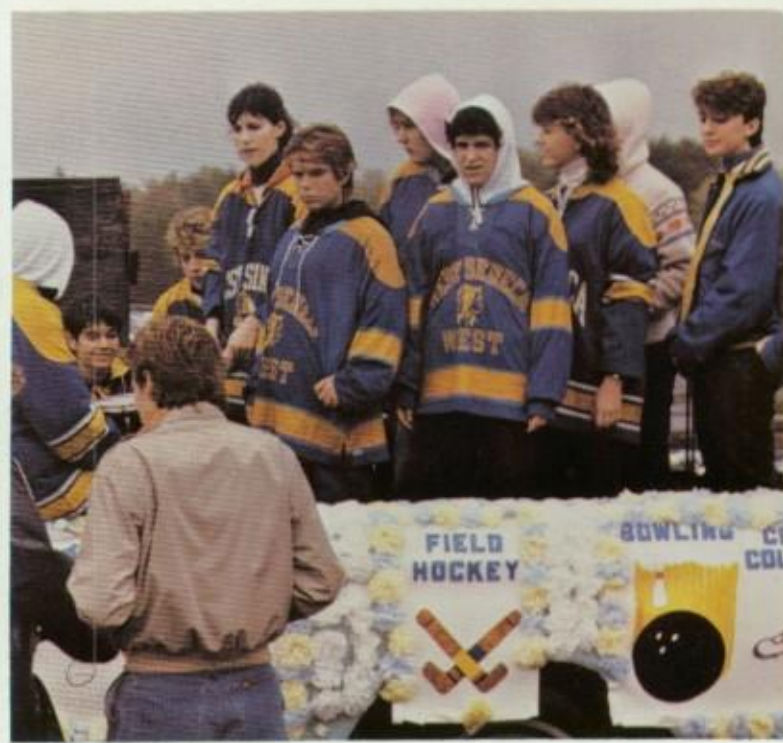

The sophomore class captured first place, with a clever theme — “We the class of '88 challenge the Bulldogs to take the bait.”

Rolling in second place was the senior class and their “Dancin’ in the Streets” theme. The most original, went to the junior class, with the “Injuns Feast” theme.

There was also many other beautifully decorated floats from other school organizations — GAA, Music department and the Varsity and JV cheerleaders.

*CLOCKWISE STARTING LEFT: Mary Taboni — the balloon girl; crowds can be fun; good times on the senior float; even the rain won't stop the GAA; waving to the beat; fun-n-confetti. OPPOSITE PAGE CLOCKWISE STARTING TOP: Sophomore Indians; all wrapped up; the juniors have spirit; Kim Drew finds serving is fun; Dom A. does his annual dance.*

# ... For Friends

Friends are necessary to a happy life! When friendship deserts us we are as lonely and helpless as a ship, left by the high tide upon the shore. When friendship returns to us, it is as though the tide came back, gave us buoyancy and freedom, and opened to us the wide places of the world.

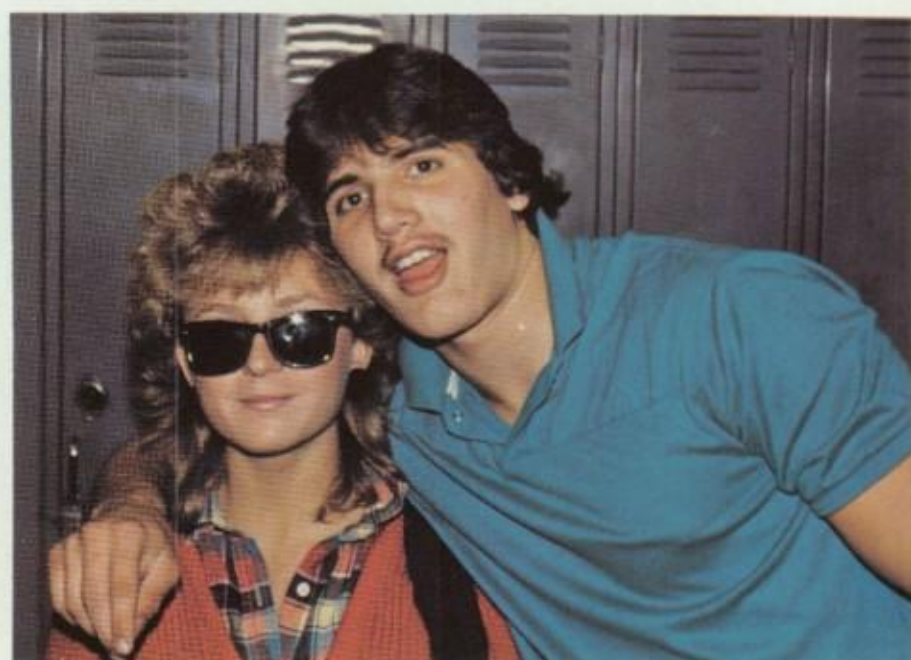

A friend is one who multiplies joys, divides grief, and whose honesty is inviolable.

A friend is the one who comes in, when the whole world has gone out.

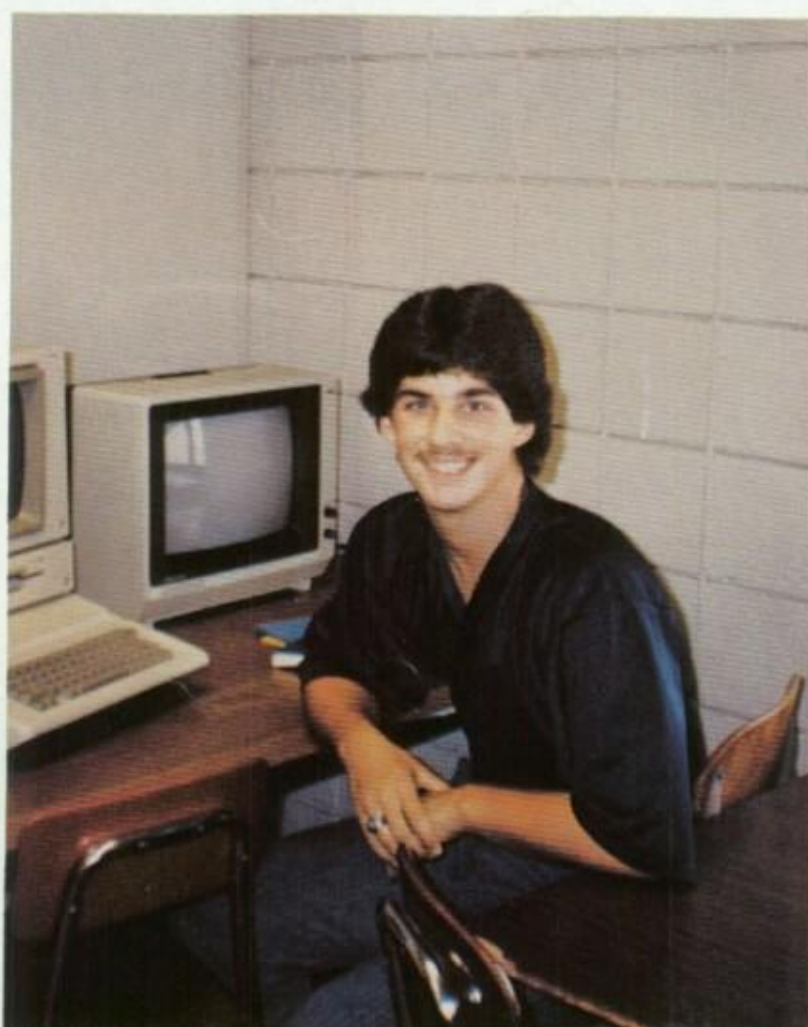

*CLOCKWISE, STARTING ABOVE: friends share a rare moment alone; Al S. and Donna P. cuddle at the game; Vicki S. and Nora U. smile for the camera; this picture was by invitation only; he said what about me! OPPOSITE PAGE STARTING TOP: Shades of West; Larry D. gives Joan G. a friendly hug; some "pizons" by the ticketbooth; Home Ec. fellowship; a trio of friends.*

# DEDICATION

The Acenes Yearbook Staff Proudly Dedicates this Yearbook to **Mr. Arthur J. Smith.**

Mr. Smith, a science teacher for 26 years, is respected for his ability to excel at the single most important purpose of the school system; the education of the minds of the young.

When asked what gets him through his toughest days of teaching, he remarked, "I have a deep belief in what I am doing." and it is that sincerity and devotion to his subject that makes Mr. Smith so outstanding in what he is trying to accomplish. He regards academic success as a grasping of the concepts which he presents rather than an extremely high grade and is most fulfilled when students develop a liking of Biology and use it as a springboard for advance study.

Mr. Smith is a graduate of St. Bonaventure University and received his Masters Degree from Canisius College. In addition to Biology, he feels he would have enjoyed teaching English Literature and also expressed an interest in Politics. "I've often thought I'd like to run for political office," he commented.

In his spare time, Mr. Smith enjoys golf, gardening and woodcarving, yet he has devoted 15 summers teaching summer school at East Senior.

We feel that he fully deserves this dedication to be honored for passing his knowledge onto the students of our West Seneca schools.

# Teacher Recognition Day

## Honor Roll List Expands

Miss Kathleen Basher (French) was honored at a reception on November 22, 1985 for teaching in our School System for twenty-five years (photo, top left).

The annually sponsored event also cited seventeen other teachers who entered their fifteenth year teaching in West Seneca schools. They include (pictured clockwise, starting top right): Sue Hoerner, Liz Szymczak, and Amelia Dempsey smile for the camera; John MacWilliams, Kathleen O'Hara, Ronald Grover, and Paul Maciejewski are really enjoying themselves?; more honorees, Kenneth Peters, Jineen Kulczycky, William Horbachewski, James Stiegler and Diane Hofner; and last, but not least, Kevin Osinski. There were four honor roll members that were a little camera shy, they were John Cirrincione, Noel Jeitler, Arthur Jones and Glenn Schaller.

### Class of '86 — Pride Shines Through

One might think that the senior year of high school would be a time for relaxation, but instead, for the Senior class, it was an industrious and very hectic year.

This past year the Seniors sponsored many fund-raising activities, their goal, to raise money for the Prom. Among the items sold were the Senior class T-shirts, carnations for Valentine's Day, and candy.

Seniors also operated several bake good sales and ran the concession stand at home football games. The annual Snowball was

held on February 1 and was also sponsored by the Class of '86.

The Senior Prom was held on Friday, May 23 at the Marriott Inn.

Graduation will take place on Tuesday, June 24 at Kleinhan's.

This year's Senior Class officers, pictured above were: Karen Kezman (Vice-President), Marcy Connors (President), Kim Kirk (Treasurer), Mr. Kenneth Kirk (Advisor) and NOT PHOTOGRAPHED, Jill Burch (Secretary).

## Foreign Exchange

Throughout the school year, you may have seen a new face at West, it might have been Charlotta Osterburg, our foreign exchange student from Sweden. Lotta came to the United States last August and remained here until July.

Lotta, as her new friends called her, first had to fill out an application to become an exchange student. She then had to send in an essay about herself and finally she was interviewed and selected.

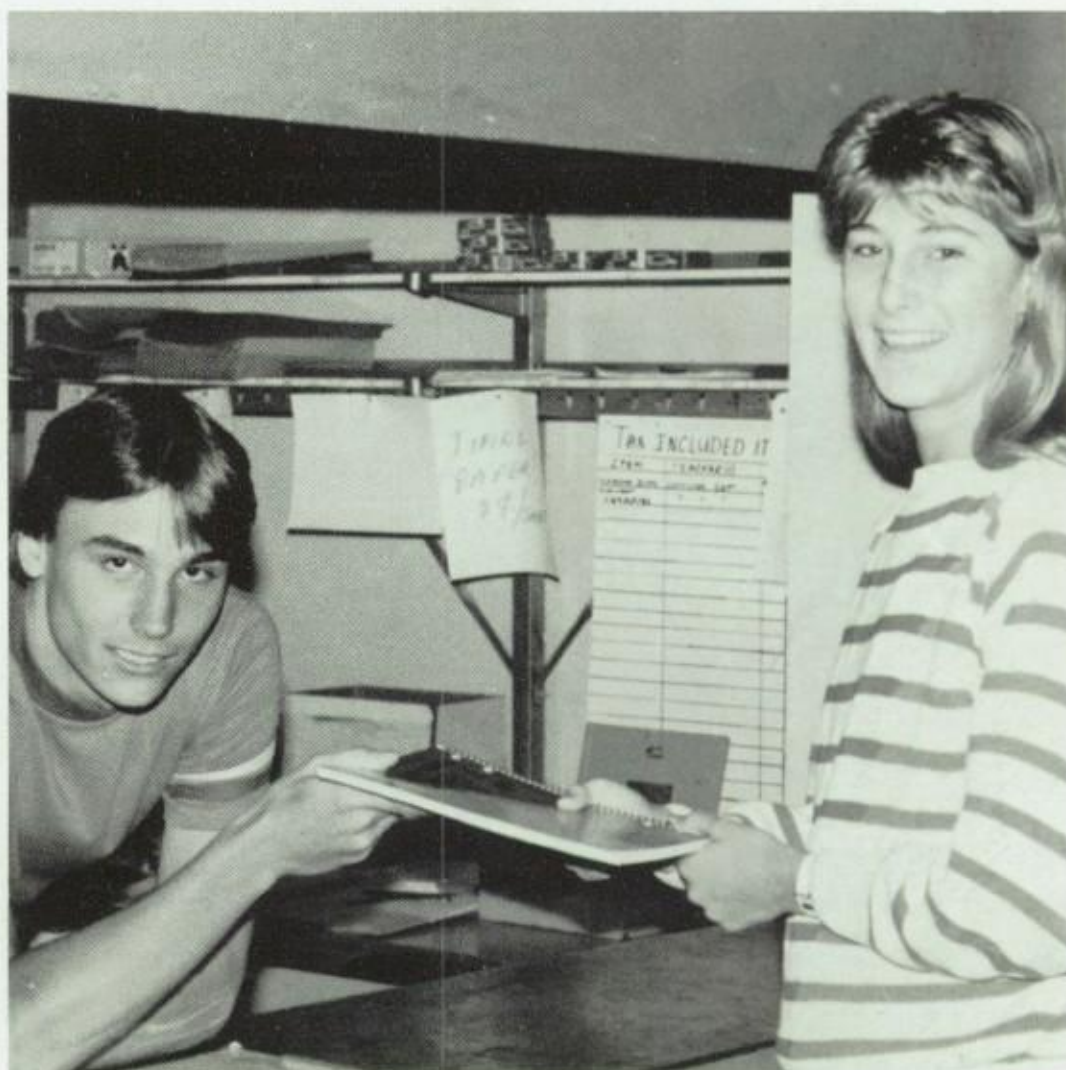

She enjoyed attending West this past year, and took advantage of some extra courses she didn't have time to take back home. French, which she didn't take in Sweden, was her favorite subject.

During the school year, Lotta joined several extra-curricular activities at West. She joined the choir and the swim team, just to name a few. She was also inducted into the National Honor Society in December, which made her the first foreign exchange student to receive this award.

Lotta commented that there were many differences between West Senior and her school in Sweden, "Students have about ten minutes to get to class between periods. We're allowed to leave school or do what we want during a free period."

She likes the United States even though it is very different from Sweden. Lotta was especially fascinated with New York City, which she toured in November.

She said that the kids at West were very friendly to her, "It was a very scary experience, but the students at West really welcomed me." Although Lotta enjoyed West very much, she commented, "There is no place like home . . . SWEDEN!"

# Advice and Commentary . . . Instead of #?!\*@ Questions From Our Teachers

## My advice to seniors is . . .

to laugh, love, and read.

*Mr. Danieu*

remembering also that you didn't do anything to deserve the abilities and talents you have, but you are responsible for what you do with them.

*Miss Cammarata*

to never give up. If a roadblock in life appears that seems insurmountable, attack it a bit at a time. There is always a reason for going onward.

*Mr. Hrycko*

to set some goals for yourself. Take a good look at your individual strengths and weakness—we all have them! Work on what you can change. Take advantage of every opportunity—don't be afraid to take a chance. The real rewards in life don't come from where you end up, but rather the day, to day, step-by-step journey in getting there. It's not the destination it's the journey!

*Mr. Everett*

whenever you accept a job or a position, always give 100% of yourself. Do the absolute best that you can. Remember that in life, money is important but it can not be a replacement for your happiness.

*Mr. Kirk*

as you begin a new chapter in your life, set realistic goals for yourself, live life to its fullest, and always remember "West."

*Mr. Redmond*

to show enthusiasm, show a willingness to learn new ways of doing things, and most of all, do the very best you can each and every day. And most important of all—SMILE!

*Mrs. Kulczycky*

remember that you can have whatever you want out of life, but you can't have everything so make your decisions wisely.

*Mr. Begert*

"Never say never." Always be able to adapt to change and new experiences.

*Mr. Osinski*

"Go get 'em."

*Mrs. Masterson*

that you do not consider marriage until you are at least 25 years old.

*Mr. Regan*

to know when to work and know when to party, the difference will make you a success.

*Mr. Scime*

to "Pursue your goals in life, not being afraid to meet all your challenges head on, while working to the best of your ability, so that you do not cheat yourself in not becoming all that you are capable of being."

*Mr. Rogowski*

in any situation, if you do what you believe to be the right thing to do, you won't regret it.

*Mr. Rayner*

to be yourself. Don't live up to anyone else's expectations but your own—they're tough enough! Give everything you do your "best shot" and you'll succeed because you've tried. In life, there are no problems just challenges. Always hang in there. The persistent make it in life. So simply, "Go for it!"

*Mr. Wojtaszczyk*

to set your goals in life. If you have no goals, join the service and find out what you don't want to do.

*Mr. Ventura*

to paraphrase Cromwell when advising his army before combat: "Trust in the Lord, my boys, and keep your powder dry."

*Mr. Ruh*

what you do today and each day is what shapes the future.

*Mr. Horbacheweski*

1) Life is not a spectator sport . . .

2) Be a verb—live in the active tense!

*Mr. Wolfe*

enjoy—the best years are still to come.

*Mrs. Kellner*

aim high! Give your very best in all you do and you will never think yourself a failure.

*Mrs. Rozbicki*

## My most memorable teaching experience was

the Graduating Class of 1985—English 3, Period 8, KK, GA, CM, TK, SN, LP, JK, and Others.

*Mr. Wojtaszczyk*

cleaning up . . . Ha!!! Ha!!!

*Mr. Chandler*

having a boy's artificial leg become detached while teaching a swim class.

*Mr. Ventura*

twenty-six years of association with the young people of West Seneca and trying to instill in them a zest for life in general and the science of Biology in particular.

*Mr. Smith*

advising **West Horizons**.

*Mr. Krebs*

the time a girl from Bennett High School puked on my coat (I'm laughing about it now, even as I write).

*Mr. Sorra*

Cafe A, 4th Period

*Mrs. Masterson*

students who return years later or send cards or letters to tell me that what they had learned in class has made their experience in France or Europe more enjoyable. I especially enjoy hearing from those who are using their language skills in studying, teaching, working, and living in French speaking countries—an acknowledgement that classroom experiences were worthwhile, make teaching worthwhile.

*Miss Basher*

watching others experience the joy of success.

*Mr. Schleifer*

my first day as a teacher, nineteen years ago, returning to my alma mater as a member of the faculty.

*Mr. Peters*

getting Rich Nawrocki to come out of his shell.

*Mr. Osinski*

my first period class four years ago that did everything with me—even sing. The class was magical. I never had to snap or censure, not once. It was both unbelievable and awesome!!

*Mr. Danieu*

## What is the true value of education?

Education is something that allows one the opportunity to gather the necessary tools and put them to use in making oneself a productive member of society.  
*Mr. Rogowski*

Education provides one with the means of finding the answer.  
*Mr. Chandler*

I have found that the true value of an education is to expose a person to something he or she did not know existed—and cause that person to change the way he/she perceives the world.  
*Mr. Rayner*

It is to learn more about creation and humanity and be all the better for it.  
*Mrs. Masterson*

The true value of education is NOT knowing the valence of sodium, what happened in 1066, recognizing a dangling participle, or even learning to play a tuba. Education's whole purpose is to prepare you for life. And what's the most important thing you will do in life??? Make decisions!!!!

The entire remainder of your lives will be decided by the choices you make: what should I eat, what kind of car do I want, where do I want to live, should I marry this person, what kind of job should I take, etc., etc . . .

Whether you realize it or not, every course you take adds something to that mass of cells we call a brain where the decision making process takes place. The more we challenge ourselves with a wide array of subjects that force us to think and appreciate, the better prepared we will be to make those important choices.

It's your life that you will be choosing and your happiness depends upon your decisions. Hopefully, your education will help you to make the right ones.  
*Mr. Maciejewski*

Develop the whole person so that he can live fully.  
*Miss Cammarata*

The true value of education is that it makes it possible for us to communicate our ideas effectively with other educated people. Without this ability, we would be no more than animals, unable to appreciate music, art, literature, mathematics, and all the other things that make life worthwhile.  
*Mr. Williams*

In your ability to adapt to the changing world . . . in capitalizing on your strengths and in improving on your weaknesses (we all have them) . . . in knowing where and how to find the answers to those things you don't know . . . in reacting to the world around you with your "head and heart."  
*Mr. Wojtaszczyk*

The true value of an education is to give students a living fund of knowledge which they may generate ideas. When you can bring relevant background to bear on a problem, assemble pertinent data, grasp relationships, appraise the values involved and make a judgement: when you can do that, then you are an educated person.  
*Mr. Smith*

It is an adventure which discovers unknown talents.  
*Mr. Krebs*

Education makes us realize how little we know and how much more there is to learn. Therefore, life should never be boring because we have an infinite capacity for growth.  
*Mr. Begert*

The true value of education teaches mental discipline and hopefully flexibility.  
*Mr. Osinski*

I am a firm believer in the value of a Liberal Arts education. It is important for a person's intelligence to be well rounded because our lives are affected by so many different influences every day. It is vital that we are able to deal with these influences in a way that is satisfactory to ourselves.  
*Mr. Sorra*

## I want to be remembered as . . .

when students gather and talk about former teachers and my name is brought up I want them to say, "He was a good teacher."  
*Mr. Stiegler*

a teacher who gave his students 100%.  
*Mr. Zimpfer*

a person "who cared enough to nag the very best!"  
*Miss Basher*

a level-headed person, being able to get along with others, a good sense of humor and good common sense.  
*Mr. Ventura*

the nice one who taught us a lot of English.  
*Mrs. Masterson*

a good teacher/educator; and as such I will, unlike most people ending up with no more than 5 or 6 people who remember us, have thousands of people who remember their teacher for the rest of their lives.  
*Mr. Peters*

a man of integrity.  
*Mr. Osinski*

a teacher who was always willing to help. A person who was interested in the well-being of the student both academically and personally. Someone the student felt comfortable in sitting down and talking to.  
*Mr. Kirk*

someone who finds value in other people.  
*Mrs. Herman*

a person who cared.  
*Miss Cammarata*

the best teacher you have ever had. By best I do NOT mean tough or hard-nosed or naziesque or even good-looking macho-manly (though I once was for a week or so back in the seventies.) By best I DO mean caring, bright, inspiring; that to me is the essence of teaching.  
*Mr. Danieu*

someone who enjoys teaching, who tries to make learning enjoyable, and who never stops caring about his students.  
*Mr. Williams*

someone who imported a love of subject matter, and a strategy for self-improvement through learning.  
*Mr. Ruh*

someone who cared about others.  
*Mr. Horbachewski*

being fair but firm, respectful and respected, understanding and understood, forgiving and forgiven, and someone that may have been an inspiring source to anyone that I may have worked with over the years.  
*Mr. Rogowski*

in someone's will.  
*Mr. Regan*

a teacher whom you could go to without apprehension for help . . . someone easy to talk to, someone interested enough to listen and not judge . . . someone who cared beyond the concerns of the classroom . . . someone who was always there when needed.  
*Mr. Wojtaszczyk*

a hopeful kind of person. Hopeful that my efforts, coupled with those of my colleagues, will blend in such a way that the result, the West graduate, will be an individual better equipped to meet life. Hopeful that the graduate will lend himself to the betterment of life for all and that he/she will offer some worthwhile contributions to society.  
*Mr. Smith*

a person who liked his job.  
*Mr. Rayner*

a person willing to take a stand on behalf of his fellow man.  
*Mr. Schleifer*

a person who does not worry about how he will be remembered.  
*Mr. Sorra*

It's hard saying goodbye to the years that have gone by,  
And to the great times we had at the Senior High.  
High School is not somewhere we can forever stay,  
Our time has come now for us to go away.

It's hard saying goodbye to the times when we were crazy,  
When "Seniors" meant having fun and being lazy.  
For we can not relive our past,  
We can only make the memories last.

It's hard saying goodbye to friendships that have grown,  
To all the love and care that was shown.  
But High School friendships are meant to last,  
They are held together by the memories of the past.

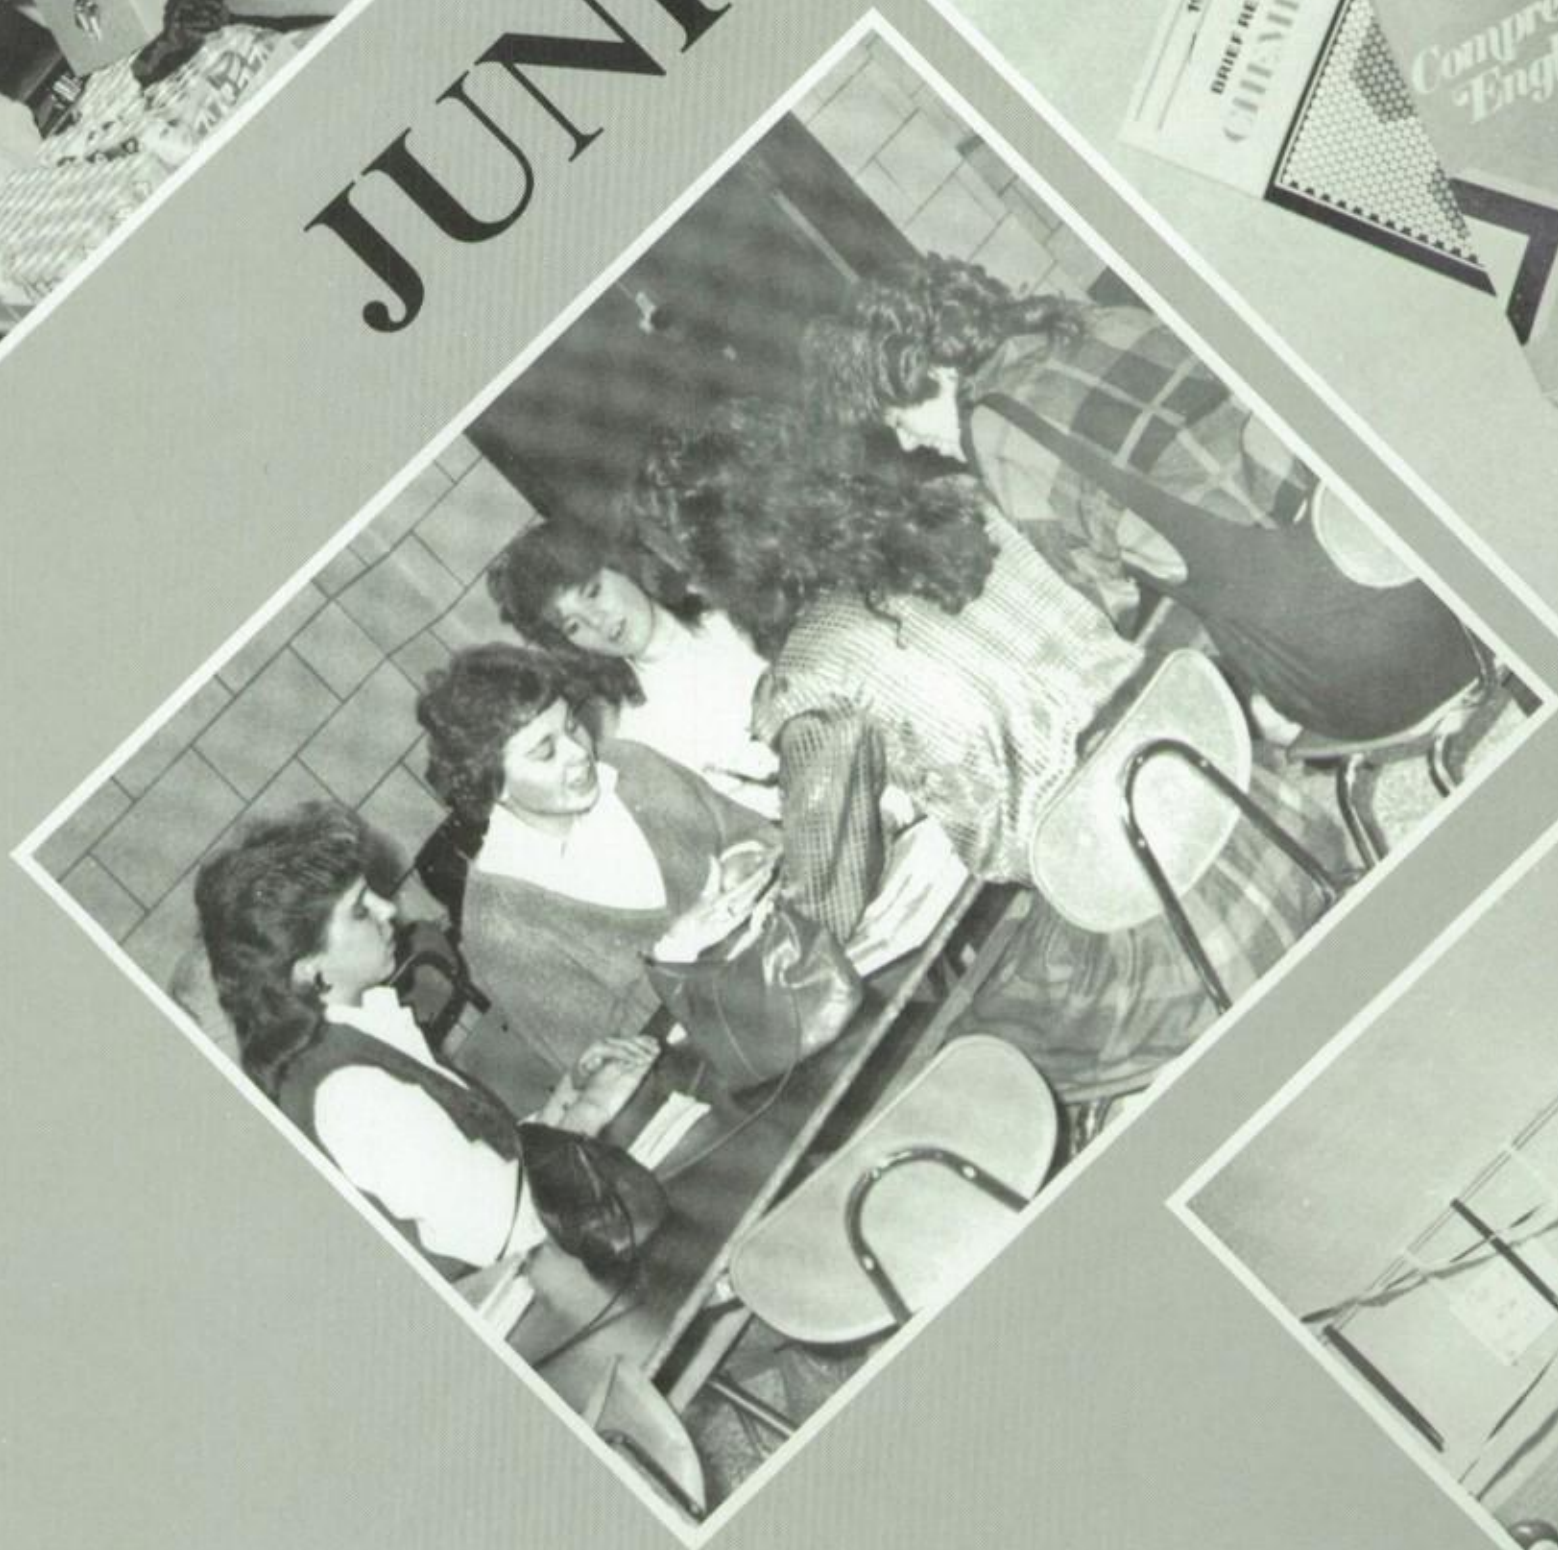

It's hard saying goodbye to you my friend,  
But our High School days have come to an end.

# JUNIORS

## Junior Officers

### Juniors Show Their "True Colors"

This year's Junior Class proved to be a productive one. The officers led the class through their many fund raisers and events, showing their spirit at West.

A school spirit week, which included dress up day, punk day, 50's day, a Hawaiian day, and school color day, was sponsored during Homecoming week in October by the Class of '87.

Furthermore, they took part in several fund-raisers. In addition to baked-good sales and a Christmas sale, the Juniors also ran the concession stand during the Indian's home basketball games. The profits from these activities were used to finance the Junior Prom, which was held at the Executive Hotel on April 25.

The officers and their advisors, pictured above, were: Mr. Thomas Redmond (Advisor), Tony Cardenuto (Treasurer), Kelly Casper (President), Tracy Hug (Secretary), Mary Kirk (Vice-President), and Mrs. Evelyn Herman (Advisor).

# SOPHOMORES

## Sophomore Officers

### Sophomores Start Off Right

This year's Sophomore class, although new to West proved that learning can be fun.

The Class of '88 started off on the right foot by taking first place for the best Homecoming Float in October. "We the Class of '88 challenge the bulldogs to take the bait", was their catchy theme.

Besides working hard to put this project together, the sophomores started to expand their treasury by sponsoring fundraisers. Bake good sales and a Valentine's Day candy sale, gave the sophomores a chance to earn money while learning how to cooperate with each other.

This year's advisors were very pleased with the sophomore's eagerness to work and how it will continue to grow for the next two years.

The officers and their advisors pictured above, were: Nancy Doering (Secretary), Dawn Mecca (President), Mrs. Denise O'Shei (Advisor), Mr. Dennis Wojtaszczyk (Advisor), Joe Cantafio (Vice-President), and NOT PHOTOGRAPHED, Lori Whitcher (Treasurer).

# Principals

John Schliefer  
*Principal*

Few students are really aware of the role the administrators play in keeping our school running smoothly. Discipline and the enforcement of board policy are the words we associate with **Mr. Schliefer**. Yet, other words can also fit his position . . . teacher, peacemaker and friend.

For most of his career as a principal, he has been involved with only two schools. In both cases he has set goals to achieve for those schools. Here at West, his biggest concern is the barriers the students build to separate themselves from others. Mr. Schliefer wants to see these social barriers break down and replace them with an attitude that would unify the entire student body.

He wants the students to motivate themselves academically and to evaluate themselves to make the best person he or she can be. Mr. Schliefer feels he should help inspire students to

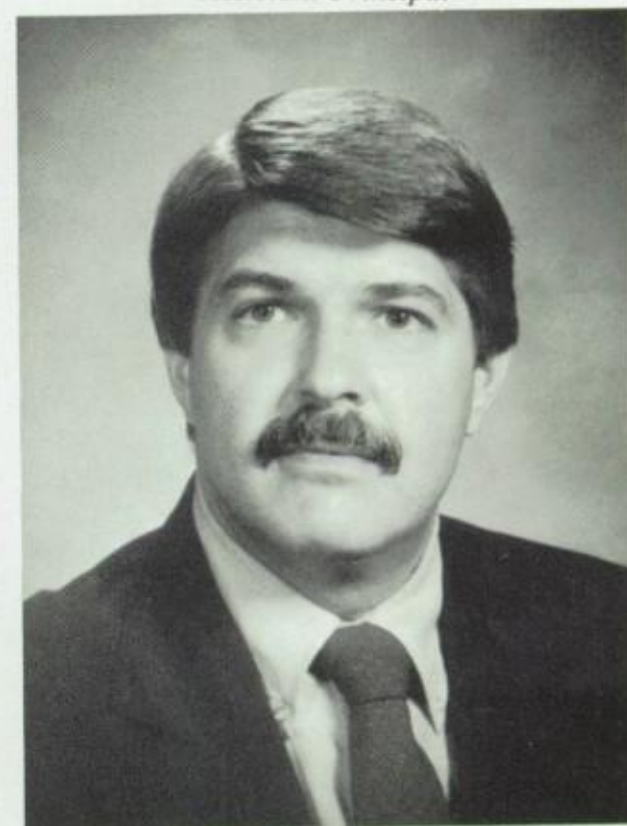

pursue and attain success and happiness. When looking back at their years at West, he wants them to feel a pride and warmth for the past and know that they did the best they humanly could.

The start of the school year brought the students into contact with Mr. Schliefer. He found the atmosphere here to be up beat and felt the student body had a positive attitude for the year. He respects each person's individuality as long as it is not threatening to anyone, and expects the mutual respect between administrators, faculty, and students.

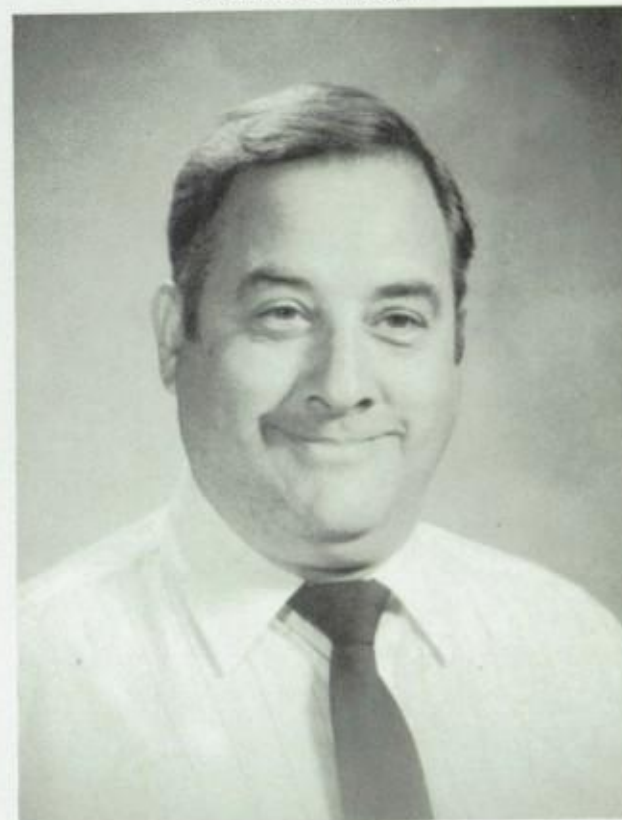

When asked about the competition between East and West he answered, "Competition can be healthy when it is kept in perspective, but great people never have to tell anyone that they are remarkable — great schools don't have to sound their horn — people know!"

The Boys' J.V. Baseball Team, coached by Tom McKeating, finished their year with a 6-10 record.

The highlight of the season came with a 12-4 victory over Hamburg. The team's captains were Tom O'Connell, Paul Picciano, and Bill Wittman, who all added to the spirit of the team. O'Connell, named Most Valuable Player, had 37 strikeouts as a pitcher.

Individual honors went to Bob MacDonald for being the top batter with 21 hits and a batting average of .362. Bill Wittman received an award for 10 R.B.I.'s.

## Freshmen Shut-Out Orchard Park

ROW 1: Debbie Lipczynski, Don LaRotonda, Jim Abbott. ROW 2: Dave Pawlowski, Joe Valvo, Dave Brown, Dennis Badding. ROW 3: Coach Sorrentino, Mike Gentile, John Dormann, Tony Skretny.

The Modified Baseball team, coached by Mike Sorrentino, completed its season with a 7-7 overall record.

One of the more memorable games during the season against Orchard Park was highlighted by Tony Skretny's pitching performance that only gave up one hit and led his team to an 8-0 victory. Other key offensive players were Dave Pawlowski and Paul Stevens. Dave Brown led the defense with no errors during the season.

Coach Sorrentino was pleased with the team, noting that dedication was the key to success.

Debbie Savannah

# GIRLS SOFTBALL

## Team Ranks Second

Strong defense and experience powered the 1985 Varsity Softball team to an impressive 13-3 record.

Seniors Melissa Fotevski and Tina Mederski (captains) and Beth Brierly (M.V.P.) led the team to a division I championship, and a second place ranking in Western New York.

The strength and consistency of sophomore pitcher Denise Lisiecki anchored a steady defense which proved to be the heart of their success.

Coach Karen Anderson was pleased with the efforts of her team. She offered, "This was probably the strongest season girls' softball has had. Our teamwork, desire to be the best, and motivation were the keys to a memorable year."

Julie Pawlowski

ROW 1: Coach Karen Anderson, Ann Devaney, Karen Pustulka, Cheryl Farkas, Denise Lisiecki, Mari Cruikshank, Jenni Milliron. ROW 2: Kim Cody, Karen Schmatz, Paula Rothfus, Mary Ellen Gould, Kathy Lussier, Michelle Szymanski. ROW 3: Melissa Fotevski, Tina Mederski, Beth Brierley, Andrea Motyka.

ROW 1: JoAnne Alberella, Lori Struski, Stacy Paul, Jenny Gawronski. ROW 2: Kim Rosenhahn, Kim Struski, Kristen Jetter, Pam Wodowski. ROW 3: Denise Kolodziej, Kelly Braun, Kris Kubiak, Jackie Picciano, Annette Farkas, Coach Barb Reiman.

## Extra Inning Victories

Highlighting the Girls' JV Softball 1985 season were two memorable extra inning victories over league-leading Frontier.

Lori Struski, who led the Lady Injuns with a .555 batting average, won the M.V.P. The team's battery of pitcher Kelly Braun and catcher Pam Wodowski played well throughout the season and served as the captains as well.

Coach Barb Reiman felt that their overall record of 5-6 was misleading. She said, "The team record was no indication of how the girls played on the field. We had a very talented squad. It was just a matter of putting the talent together and making it work."

Laurie Rolfe

## Biddle Places Second

The Girls' Track team performed and ended extremely well this season. The team was coached by Mr. John Schreier and Mr. John Grieser.

Captain Christine Maggiore, Co-captain Peggy Biddle, and Michelle Randall performed their best at the East-West Classic with Biddle placing second out of seventeen schools.

Biddle was named Most Valuable Player because of her good and steady pace she kept up during the season. Christine Maggiore received the Most Improved Player award because of her dramatic improvement as a runner, said Coach Schreier.

Donna Runckel, Karla Kories

ROW 1: Sandy Farkas, Chris Maggiore, Jen Giallella, Sharon Eoncherio, Nicole Hlat, Karen Hlat. ROW 2: Kelly Croft, Kim Matuszewski, Kathy Brown, Heather Curran, Leigh Leonard, Kim Boulange, Peggy Biddle, Tracy Ross. ROW 3: Coach Schreier, Michelle Randall, Jill Maconaghy, Amy Kellogg, Sue Degnan, Jennie Cox, Nicki Sutton, Tracy Weeks, Roxanne Sabo, Michelle Goulding, Ellen Dziedzic, Coach Grieser.

# Tennis Team Gains Seven Wins

ROW 1: Jack Darling, Scott Marcin, Don Slough, John Hryshchuk, Joe Marinelli. ROW 2: Rick Krall, John O'Connor, Paul Krystyniak, Paul LeBlanc, Mike Setlock, Bob Setlock. ROW 3: Scott Benson, Bill Carson, Dave Kirsch, Matt Reilly, Tom Berkhoudt, Coach Begert.

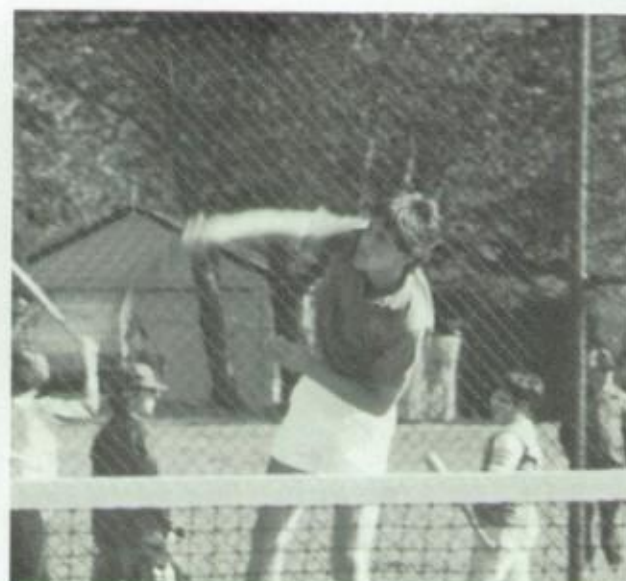

The Boys' Tennis Team might not have been as strong as the previous year, but despite their handicap they kept up a good effort and landed a 7-7 record.

One might think that tennis is an individual sport but it takes talent throughout the team to rack the points to win. West showed this throughout their season.

This year's MVP award went to Scott Marcin for his consistent play and dependability. Above him in rank were Rick Krall, who had to contend against top players of Western New York, and Ian Slough. Matt Reilly seemed to be a constant on the doubles team while the other player varied.

Coach Begert commented "Our team had the desire to work and therefore consistent improvement showed throughout our season."

Denise Savannah

## Freshmen Show Their Strength

ROW 1: Marcus Warren, Kevin Harm, Randy McKee, Chris Smith, Tom Kazimir, Mark English, Theron Marino, Tom Meredith. ROW 2: John Sterlace, Rick Carren, Tom Gunn, Eric Weaver, Tom Darling, Scott Romanowski, Jonathon Lesniowski, Paul Pfluger, Todd Iozzia. ROW 3: Jeff Randall, Brian Ryba, Jim Valenti, Glenn Woolgar, Joe Caltrara, Tim Wiley, Warren Miller, Steve Cruikshank, Tom Logan, Tom Richalski, Coach Gaiser.

The modified track team finished its first season under their new coach Mr. Gaiser with a 5-3 record.

Scott Romanowski had a very impressive season with his holding and breaking of records. His devotion to the team earned him the most valuable player.

When the 800 meter run was ran in 2 minutes and 19 seconds by Warren Miller, he was named Most Improved Player.

The team was led by captains Brian Ryba, Tom Darling, and Glenn Woolgar.

The team showed their strengths against Frontier and arch rivals East. The team also placed third at a Hamburg meet.

Michelle Wojtkowiak

# TRACK

## Team Gains 4-8 Record

ROW 1: Dave Horvatits, Tim Jones, Jim Davis, Chris Barbera. ROW 2: Phil Marino, John Blasio, Gil Esch, Dave Ryba, Ed Schmatz, Jim Darling. ROW 3: Terry Petingal, Ed Swan, Brian Fridmann, Dan Draper, Tom Dalbo, Mark Dwiderski. ROW 4: Mike Bougard, Greg Bochynski, Casimer Pulaski, Mark Weinsheimer, Brian Keating, John Wiley. ROW 5: Shawn Pollutro, Bob Ramsey, Vansanth Kumar, Dean Mandel, Brian Hahn. ROW 6: Mike Hughes, Eric Guy, Mike Mancuso, Dan Gunn, Jeff Zientara. ROW 7: Coaches Mike Ernst, Braden Gothard, Joe Martin.

Headed by captains Dan Draper and Tom Dalbo, the boys' track team ended the season with a final record of 2-4. Participating in a total of 16 events, the team "worked hard and well together," according to Head Coach Gothard.

Dan Draper was named MVP. He holds the school record in the mile and broke the school record in the 3000 meters. The 400 meter relay record was also broken by the relay team of Tom Dalbo, Brian Fridmann, Ed Schmatz, and Dave Rybe.

The team was filled with many outstanding performances such as Ed Schmatz, Dave Ryba, Jim Darling, Mike Hughes, and MIP Shawn Pollutro.

Next year's team which will be led by captains Shawn Pollutro and Dave Ryba, should be strong, especially in the sprints and field events.

*CLOCKWISE STARTING ABOVE: Mark Swiderski in the broad jump; Chris Barbera puts in a few extra laps; Dave Ryba takes the lead; Jim Dockktor and Dan Gunn challenge the hurdles.*

# GIRLS' VARSITY SOCCER

## Team Ends with 6 Wins

Captains Anna Werelus, Laura Bauer, Andrea Suchocki, Laura Schreiner, and Sue Siminski led the 1985 Girls Varsity Soccer team to a Division I record of 4-6 and an overall record of 6-11.

The National Coaches Association gave its MVP Award to Anna Werelus. Laura Schreiner received the Jaycee Award, while Coach Kaster gave his MVP award to Sue Siminski.

Coach Kaster cited Sue Siminski and Teresa Pieczynski as the teams leading scorers. He also said that Denise Savannah made many midfield plays.

Since the team consists of a lot of juniors the team has a strong nucleus of players for next season.

The Varsity Football team had an excellent season this year. Their final record was 6-2 which made them co-champions in division I. That is a great accomplishment which hasn't been seen for a while.

Winning against Jamestown (13-9) was the biggest win of the entire season. The Indians were the first division I team to beat Jamestown in about four years.

Of course beating the crosstown rival East (32-12) is always enjoyable. Smashing Kenmore East (24-12) for the Homecoming game set everyone's spirits high.

"We were very optimistic from the beginning about the season," said Coach Jim Brotz, "The kids played well and provided alot of excitement for the student body at both the home and away games," he continued.

This year's team had a wide variety of guys, who wanted to play ball and they worked well together to make the season a success. This year's captains were Pat Edie and Mike Mendel. There were an awful lot of good players who did their best to not only win but also have fun in the process. The outstanding seniors will be missed but there is still a great deal of individual talent left behind to keep the winning tradition going.

Mike Mendel was voted M.V.P. The leadership award went to Tony DeYoung. The Coach's award was given to Pat Edie. The winners of these awards were picked by their team members. The coach's award was decided by Coach Brotz, Coach Ernst, and Coach Kuhn.

The J.V. Football team, coached by Mr. Frank Ventura and Mr. Tom Braun, finished their season with a 1-6-1 record. The team was led by captains Dave Brown, Dennis Osinski, and Eric Naegley.

The team's only win for the season came when they shut out Kenmore East for the Homecoming.

Paul Stevens was named Most Valuable Player and Tony Skretny was named the Most Improved Player. The Leadership award went to Dave Brown. Also, Glen Woolgar was named Best Offensive Back, Kevin Molik was named Best Offensive Lineman and Kevin Osinski got Best Defensive Player.

The team showed a good effort by working hard despite the low-scoring season. Coach Ventura believes this will give them incentive for better playing on the varsity level next year and concluded by saying, "Losses are installments to victory."

Pollutro and Brian Ryba made sectionals this year, with Ryba earning the Varsity MIP award. Chris Smith, an upcoming star, was this year's J.V. MVP.

Coach Gothard states "The 1986 season looks very bright since 7 of the 9 runners are returning and hopefully we'll have more underclassmen come out for the team."

Although West does not have an official Girls Cross Country team, three faithful girls came out and had an outstanding season.

Christine Maggiore was the captain, Peggy Biddle, and Michelle Randall performed their best at the East-West Classic with Peggy placing second out of 17 schools.

Biddle was named MVP while Maggiore was named MIP. Both went to ECIC Section 6 championship with Biddle placing 13th and Maggiore placing 25th.

# BOYS' VARSITY VOLLEYBALL

## Injuries made Team Suffer

Fifth in their division is how the BOYS VARSITY VOLLEYBALL TEAM finished their season.

Their record, 2-12, was due to the injuries that the team suffered. Mike Pace, the captain of the team, suffered a separated shoulder. According to Coach Hanley, "We never recovered from his injury. It was hard replacing him."

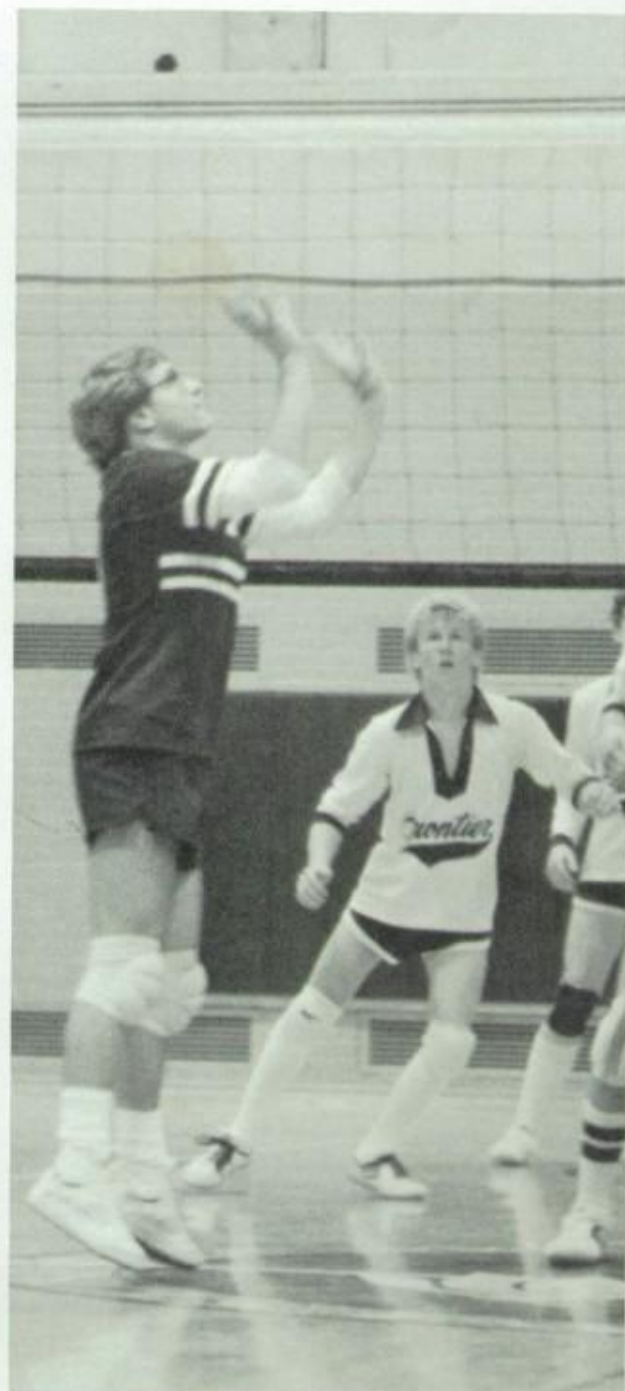

But this year, the team did have bright spots, such as the victory over Lancaster. There were many good players this year including Scott Benson, Paul Helm, Scott Salvo, Todd Barnhart and Dave Cycon. This year's most improved player was Bill Wittman.

Over the summer, the volleyball players will have a chance to go to a summer camp in Courtland, New York to learn the fundamentals in team playing.

Coach Hanley is looking forward to next season when the J.V. players will become Varsity Players.

The main highlight of the season came when our team gained a 3-2 victory over East. Coach Greiser said, "This year I had a good team, but we finished with a disappointing record."

# GIRLS' TENNIS

## A Season of Disappointment

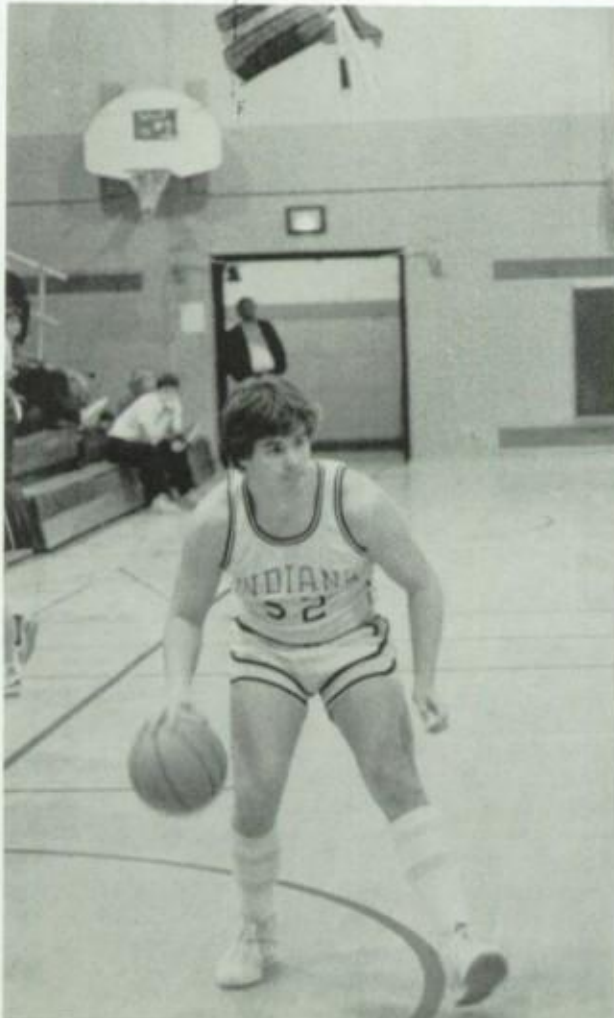

What a difference a year makes. The Indians Varsity Basketball team coming off a successful campaign last year which saw them ranked 10th in Western New York, lost 13 straight games and finished the season with a 4-14 mark.

The Indians jumped to a 4-1 mark before their slide and even then Coach Marong wasn't satisfied with the teams performance. "We really weren't together — a unit. We won early yet played poorly. Our best games vs. Jamestown and Frontier were games we lost. We never were able to overcome adversity and come together as a team — the chemistry just wasn't right. It was a very frustrating year."

The play of transfer Junior Tom Roberts was one positive aspect in the disappointing season. He was described by Coach Marong as a hard worker and very coachable.

# Student Council

For the Student Council, the 1985-86 year was a very busy and productive one, yet it was quite unique. It was different than the normal year because Lisa Christie (president), graduated early in January, so Dawn Cooper became the new president.

Throughout the year, they had many fund raisers, and much of the earned money was given to charity. The Statue of Liberty Fund, the Red Cross — for the African Relief Fund, and the Lion's Club Christmas Drive all received a donation from West's Student Government.

To help the Sports Boosters Club, the Student Council ran two successful Activity Nights where the gym and school was opened for various activities such as volleyball and basketball.

The Student Council is also responsible for many things that are a benefit to the school. They hold the school elections for class officers, provide flowers for graduation, and they also hold, along with the West Seneca Jaycees, a scholarship awards ceremony in June.

# Yearbook Staff

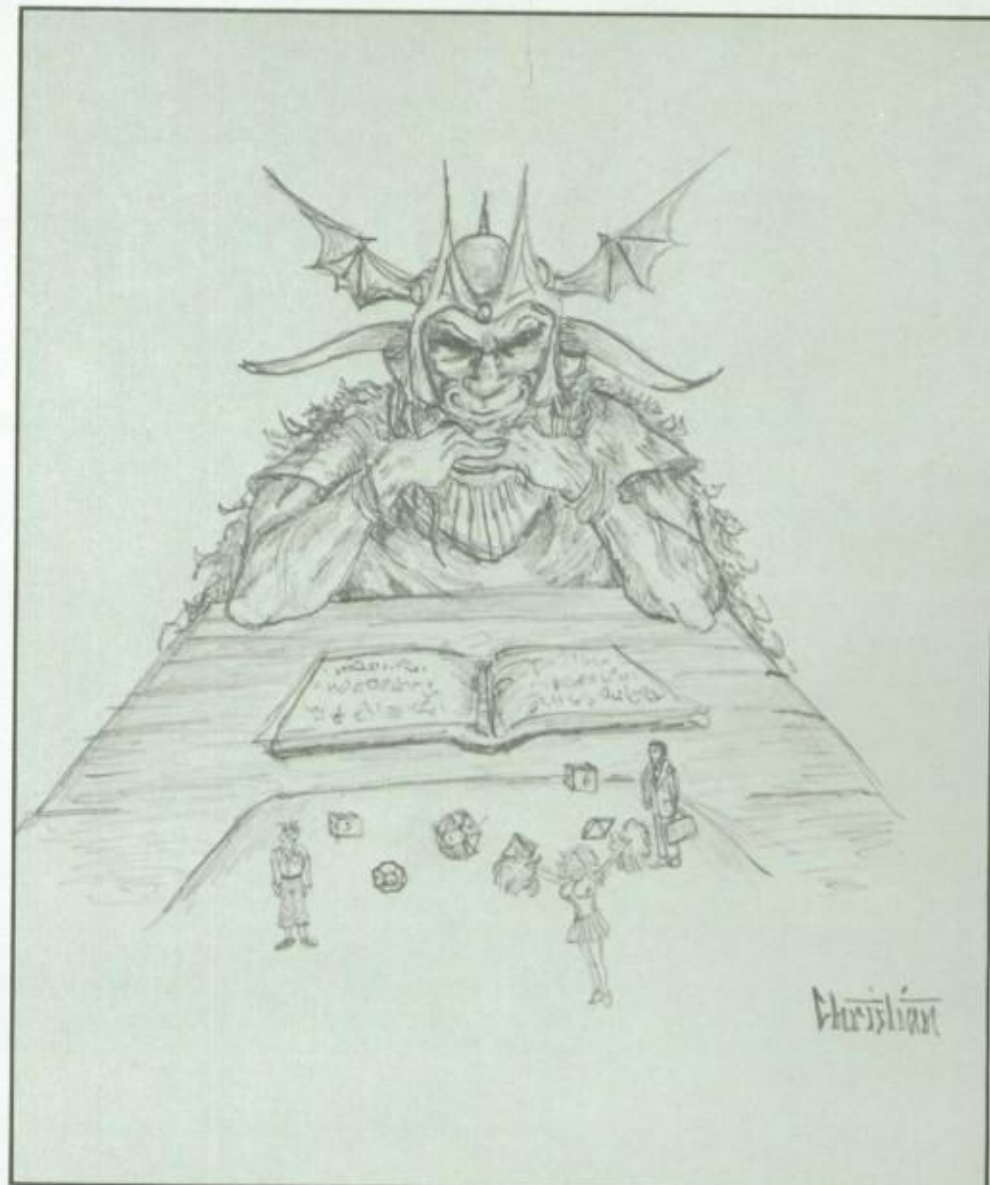

The book you are holding in your hand means a lot of things to a great many people. To the Class of 1986 it is the key that unlocks the memories of a school year that led them to the threshold of adult life. To the staff of this year's book, it was a chance to compile and document the year in the only way they knew how — with the spirit of excellence that West Senior strives for. For me, a first year advisor, it provided an opportunity to help such a fine staff complete its goal.

Each section of this book — SENIORS, JUNIORS, SPORTS, etc. had an editor in charge who conceived a plan for his/her section; developed a "look" for the section; and had major responsibility for getting the pages to the publisher.

Kim Kirk, this year's Editor-in-Chief, had the hardest job of anyone. She had to insure that each section was complete to the last minute detail and finished on time. Even though each part reflected the unique taste and personality of its editor, Kim's main responsibility was to maintain a unified style.

Teachers, thank you for recognizing how important this book is to the Yearbook Staff and students of West Senior. Thanks for giving up some instructional time for a staff member to complete a timely task or work towards a deadline.

# National Honor Society Induction

On December 11, 1985, twenty-eight juniors and forty-seven seniors were inducted into the Amana Chapter of the National Honor Society.

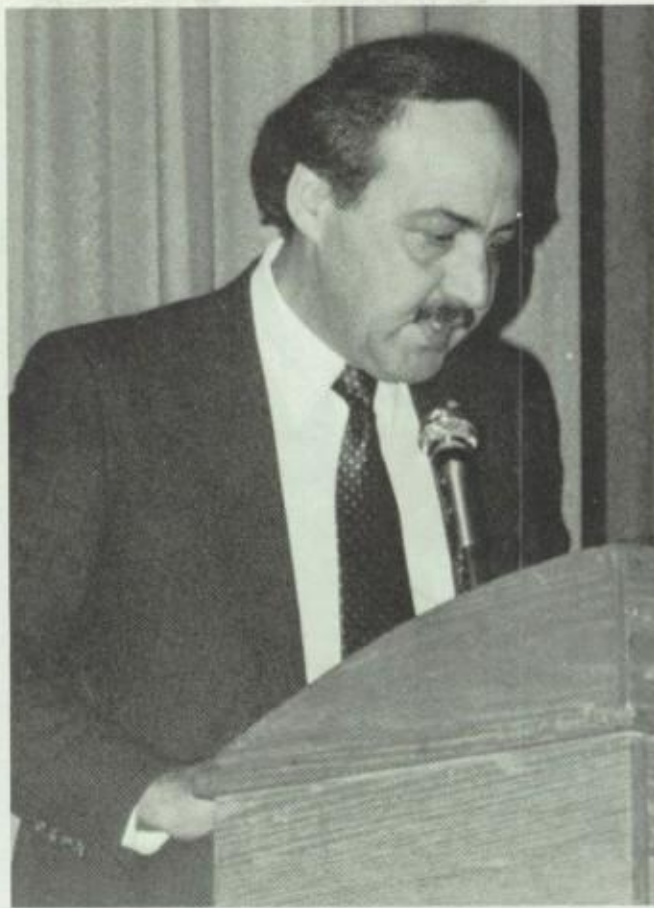

The old members, led by President Marcia Stachowiak and Advisor Mr. C.P. Waite, planned and participated in the ceremony.

The guest speaker was Doctor Vincent J. Coppola, Director of Staff Personal, who presented a very moving speech. He gave new and old inductees insight into their futures.

Parents and friends present were entertained by the West Chorale, led by Marcia Giambrone. There was also a reception afterwards in the cafeteria.

# You Can't Take it With You — Can You?

Would you bring a wealthy, distinguished boyfriend home if the black sheep in your family was your entire family? Alice Sycamore did just that in "You Can't Take it With You." Alice (Jodi Pacholczak) and her beau, Tony Kirby (Sean Dennehy) fell madly in love, but encountered nothing but trouble when their two very different families met for the first time.

The Sycamores, led by Grandpa Vanderhof (Eric Maass), were anxious to see a wedding, but the Kirbys (Tim Roberts and Carolyn Pellien) could not tolerate their future in-laws' free spirited lifestyles. For instance, Essie (Kristi Kalenda) and her Russian instructor, Kolenkhov (Jeff Milliron) had no qualms about dancing through the house in their ballet tutus. Essie's husband (Bill Berryman) often accompanied them with Glen Miller's finest on his xylophone. Mr. Sycamore

(Mike Standish) and the family's live-in friend Mr. DePinna (Tony Cardenuto) added to the idiocy by creating his own fireworks. Perhaps the sanist Sycamore of all was Mrs. Sycamore (Lori Whitcher). She was content to write her plays and paint her pictures.

Other key roles were Rheba (Leah Rusin), Donald (Bryan Donovan), Sarah Wellington (Becky Murdough) and Henderson (Eric Walleshauser).

Director Peter J. Wolfe was very pleased with the performance of his cast and crew. He offered, "The show lived up to our expectations and gave people a lot to think about. The clash of the two different lifestyles led us to believe the Sycamore's were insane. It's not until later that we discover that Grandpa and the gang know what it's really about."

*THIS PAGE CLOCKWISE, STARTING TOP: Grandpa and his pet snake; if looks could kill!; anyone care for some after dinner music? # Cinderella....

The students of West Seneca West recreated the magic of childhood for the young and the young at heart when they performed the musical 'Cinderella'. The production (March 12-15) proved that the most impossible dreams can come true.

Cinderella (played by Colette Blewis) was merely a plain country bumpkin who lived with her mean stepmother (Carolyn Pellien) and two ugly stepsisters, Joy (Lisa Puma) and Portia (Heather Malek). Cinderella's job was to clean up the house and be their servant. She was never allowed to do anything special; she couldn't even attend the Royal Ball.

This gala event was organized by the King (Bill Berryman) and Queen (Karen Smith) for their son, the Prince (Jeffrey Milliron) in hopes that he might find a bride.

Cinderella's stepmother would not permit her to attend the ball, but fate inter-

vened through the form of a Fairy Godmother (Leah Rusin). This magical lady had special powers to turn four gray mice into four white horses, and a pumpkin into a crystal coach.

At the ball, Cinderella and the Prince met, danced, and fell in love, only to be pushed away from each other by the chime of twelve midnight. Upon fleeing so quickly, Cinderella had dropped one of her glass slippers, and the Prince was determined to find the girl he called the "angel with the dust of the stars in her eyes."

This year's show utilized many special effects to make it one to remember. The Fairy Godmother's wave of the magic wand always produced a puff of smoke. And even a carriage was formed before the audiences' very eyes.

Colette Blewis' first major role on stage turned out to be a remarkable performance done with ease and elegance. Jeff

Milliron's experience in past West productions was evident as he moved flawlessly through his role.

Humor was spread throughout the musical as the stepmother and her hideous daughters pushed, shoved and sneered their way through many entertaining scenes.

Solid supporting roles included Herald the town crier (Tom O'Neill), the Chef (Mike Standish), and the Steward (Tom Cardenuto).

'Cinderella' left audiences with this very true message: "... the world is full of zanies and fools, who don't believe in sensible rules, and won't believe what sensible people say, and because these daft and dewy-eyed dopes keep building up impossible hopes, impossible things are happening every day!"

Follow your dream  
take one step at a time,  
don't settle for less  
just continue to climb.  
Follow your dream  
if you stumble, don't stop.  
Keep your eye on your goal,  
press on to the top.  
For only on top can we see the whole view,  
can we see what we've done,  
and what we can do.  
Can we then have the vision,  
to see something new . . .  
Press on . . . and follow your dream!

AMANDA BRADLEY
